Larry,

C-1000  
(R)

It is unacceptable that you would be out on the floor bragging about your bankruptcy and asking Mike if he can get you a car as your car is getting repossessed. This flies in the face of what I am trying to build. Your office is disgusting. I think our relationship is near an end as I cannot have employees looking at you like your crazy!!!

YOUR ATTITUDE IS UNNACCEPTABLE!
